## 3<sup>RD</sup> – 4<sup>TH</sup> SEPTEMBER 2018

# ALLOYS FOR ADDITIVE MANUFACTURING SYMPOSIUM 2018 (AAMS18)

### Sponsorship Packages

MAPP, the EPSRC Future Manufacturing Hub led by the University of Sheffield, is pleased to be hosting AAMS18, in its third year of operation. Following on from successful events in Germany in 2016, and Switzerland in 2017, the European symposium will be held at the University of Sheffield in 2018.

Our keynote speakers are world renowned experts in their field and will attract delegates from the UK, Europe and beyond.

Located at Inox Dine, University of Sheffield, we have a full programme that encourages networking and the exhibitors will be located in the same area as the refreshments to maximise the benefits for your business. See <https://mapp.ac.uk/events/AAMS2018> for full programme details. The venue boasts a large, bright conference space and will feature both a networking drinks reception, plus a symposium dinner.

The symposium will run from 10.00 on Monday 3<sup>rd</sup> September until 16.30 on Tuesday 4<sup>th</sup> September. Set up time will be from 08.00 on Monday and take down time from 14.30 on Tuesday.

Space is limited, so we expect sponsorship opportunities to be competitive. Please complete the form below and return to [mapp@sheffield.ac.uk](mailto:mapp@sheffield.ac.uk) by 4<sup>th</sup> May 2018. To discuss your own particular requirements or make an initial enquiry please call Karen Wood on 0114 222 6009. Please check availability before submitting your booking request.

---
